

The Essential A&A Update (2019)

Auditors must stay abreast of current developments - from both accounting and audit standard setters! Our 1-day update course is interactive and application-based, focusing on recent pronouncements and hot topics applicable to auditors. Our passion for making accounting understandable and our extensive audit experience combine to create a uniquely effective learning experience. Instead of just going through the motions, your participants will be engaged!

ACCOUNTING UPDATE

Refresher Questions

- Accounting and reporting issues from business trends, accounting changes and other current developments

ASUs Effective in 2019: Private Entities

- Revenue from Contracts with Customers (ASC 606)
- Definition of a business
