

The Essential A&A Update (2020)

Auditors must stay abreast of current developments - from both accounting and audit standard setters - and our 1-day A&A Update course has you covered! It's interactive and application-based, focusing on standards applicable to accounting firms. Don't just "tick-the-box." Our training engages your people and guides them through complex accounting and auditing rules, saving you time, money, and mistakes!
